La Querce 2013 La Querce

Impruneta, Tuscany

Red wine from Italy

Drinking window: 2017 - 2023

The 2013 La Querce is a blend of 85% Sangiovese and 15% Colorino. A bold, powerful wine, the 2013 possesses notable intensity. Beams of tannin give the wine its shape and beautifully extend the midpalate and finish, while hints of wild herb, tobacco, game and licorice add lovely nuance throughout. Attractive in its rusticity, La Querce is a gorgeous under-the-radar Tuscan gem. The Sangiovese is aged in cask, while the Colorino is done in neutral French oak.
